

Wilburn "Bill" Williamson

My wife, Renee and I moved to Hilltop Lakes in February of 2024 after we both retired in 2023 to be closer to our grandchildren who were living here in Hilltop Lakes. I was born and raised in Huntsville, TX and graduated from Madisonville, TX Senior High School in 1991. I attended college at Blinn Jr College and Sam Houston State University. I began my career in corrections in TDCJ in 1992 where I worked as a Correctional Officer and Sergeant of Correctional Officers. In 2001 I moved over to the Federal Bureau of Prisons. I worked for over 22 years in Colorado and Texas. I retired as a Lieutenant of Correctional Officer/Special Investigator Supervisor in August of 2023. My background is in leadership, staff training and development, investigations, and physical security. During my tenure with the Bureau I served as an executive board member of our local Union. I am looking forward to serving our community and help make this a fun and safe family community. I also look forward to meeting and getting to know all of my neighbors throughout our beautiful community. Togetherness one more time.
