into compliance.

The Owner will be notified that the Association intends to turn the violation over to the Association's legal counsel for further action if the violation is not corrected.

The Owner will also be advised of the fact that all legal fees and related expenses will be charged back to the Owner if the matter is eventually referred to legal counsel. The Owner will be advised to notify the Association if any extenuating circumstances exist, if additional time is requested to correct the violation or if further information is needed.

The Owner may request a hearing under §209.007, Tex. Prop. Code, on or before the 30th day after the notice was mailed to the Owner.

If the Association does not provide a packet within the period described above, an owner is entitled to an automatic 15-day postponement of the hearing.

7. During a hearing, a member of the Board or the Association's designated representative shall first present the Association's case against the owner. An owner or the owner's designated representative is entitled to present the owner's information and issues

relevant to the appeal or dispute.

D. Notice and/or Hearing Provisions Do Not Apply to the Following.

1. Lawsuit Filing. The Notice and Hearing provisions stated herein will not apply if the Association files a suit seeking a temporary restraining order or temporary injunctive relief or files a suit that includes foreclosure as a cause of action.

2. Temporary Suspension of Right to Use Common Areas. Without notice or hearing, the Board may issue an immediate temporary suspension of a person's right to use a common area if the temporary suspension is the result of a violation that occurred in a common area and involved a significant and immediate risk of harm to others in the subdivision. The temporary suspension will be in place until the Board makes a final determination on the suspension action after holding a hearing according to the provisions herein.

E. Violations Turned Over to the Attorney.

1. Board Discretion. The Board will decide whether the Owner is to be turned over to the Association's attorney. The Board of Directors has the discretion to consider unusual circumstances applying to the Owner.
